ii. Business

iii. Perseverance

c. Applications

i. Application to self

ii. Application to others

iii. Application to ministries

4. "The Mind" #18: **WORDS**

We are used to apply the same words a hundred different ways; and ideas being so much tied and associated with the words, they lead us into a thousand real mistakes; for where we find that the words may be connected, the ideas being by custom tied with them, we think the ideas may be connected likewise, and applied every where, and in every way, as the words.
